MEMORANDUM FOR:  Director of Technical Services

STAT  FROM           :

Chief, Systems Programming Division
Office of Data Processing

SUBJECT        :  Software Support for OTS/ATG/TCD   (A/IUO)

REFERENCE      :  Your memo, same subject, dated 18 March 1981

1.  I have been asked to respond to your request for
assistance in the referenced memorandum.  ODP is pleased to
be of assistance, and we will therefore make [         ]          STAT
available to provide support for your project on the limited
basis suggested in your memo.

2.  You should be aware that [         ] is currently          STAT
engaged in some significant efforts here in ODP, and
consequently we would appreciate your utilizing his services
as infrequently as possible. [         ] has only recently      STAT
joined us, but his extraordinary programming skill has
already placed him much in demand.

3.  Again we are pleased to be of assistance in this
matter.

                                                                STAT
